The Honourable Charles E. Hughes,

96 Broadway,

New York.

Dear Mr. Hughes:

I understand that there is a possibility of your coming to Toronto in February to address the Empire Club. I may say that I hope you will be able to accept the invitation of the Club. It offers an opportunity of addressing a large number of the leading men of Toronto, and personally I shall be very much gratified if you can come as we have been endeavouring for a long time to secure you in Toronto in one way or another for an address but have hitherto failed.

Yours very sincerely,

President.

President Robert A. Falconer,
University of Toronto,
Toronto, Canada.

My dear President Falconer:

It is with the deepest regret that I find myself compelled again to decline an invitation to visit Toronto.

On account of my long continuance in War work, I am subject at this time to an accumulation of obligations which I am endeavoring to discharge, and it is absolutely impossible for me to go to Toronto at the time of the meeting of the Bar Association. I wish that I could bear a message of greeting to the people of Canada at this time, and you may be sure that I should do so if I were not subject to imperative demands.

With high regard, I am

Very sincerely yours,

Charles E. Hughes
